State of Texas Bond Transaction Report For the period September 1, 2007 – February 29, 2008

Prepared by the Texas Bond Review Board

TEXAS BOND REVIEW BOARD

Governor Rick Perry, Chairman Lieutenant Governor David Dewhurst Speaker Tom Craddick Comptroller Susan Combs

Robert C. Kline Executive Director

May 15, 2008

This Historically Underutilized Businesses (HUB) report on state bond transactions was prepared as required by House Bill 3109 of the 74th Legislature. Specifically, subsection 1231.086 of Chapter 1231 of the Texas Government Code requires HUB information to be collected and reported semi-annually. This report includes HUB information received from state issuers from September 1, 2007 through February 29, 2008.

Included in this HUB report is information for each issue of the bond transaction reports. It specifically includes a summary of underwriting fees paid and summaries of orders and allotments for each bond issue closed during the designated reporting time frame. Also, a brief glossary of terms found in the detailed reports and statute is included. This report includes two transactions that were issued in the prior reporting period. Information for these issues was received after publication of the prior report. This report includes eighteen (18) bond issues with a par value amount of \$2,731,720,000.

"HUB" (Historically Underutilized Business) status and transaction costs are reported to the Bond Review Board by the issuing agencies and entities. For the purposes of this report, to identify the controlling ownership of firms based on race, gender, and ethnicity, the businesses are classified as Black American (BA), Hispanic American (HA), Asian-Pacific American (AP), Native American (NA), Woman-Owned (WO), or not belonging to one of these categories. Although "HUB" is used in this report, it does not imply that the firms listed as such are certified with the State of Texas General Services Commission.

The next report will be available on November 15, 2008.
