## TEXAS BOND REVIEW BOARD

Governor Rick Perry, Chairman  
Lieutenant Governor David Dewhurst  
Speaker Tom Craddick  
Comptroller Susan Combs

Robert C. Kline  
Executive Director

May 15, 2007

This Historically Underutilized Businesses (HUB) report on state bond transactions was prepared as required by House Bill 3109 of the 74<sup>th</sup> Legislature. Specifically, subsection 1231.086 of Chapter 1231 of the Texas Government Code requires HUB information to be collected and reported semi-annually. This report includes HUB information received from state issuers from September 1, 2006 through February 28, 2007.

Included in this HUB report is information for each issue of the bond transaction reports. It specifically includes a summary of underwriting fees paid and summaries of orders and allotments for each bond issue closed during the designated reporting time frame. Also, a brief glossary of terms found in the detailed reports and statute is included. This report includes two transactions that were issued in the prior reporting period. Information for these issues was received after publication of the prior report. This report includes twenty-seven (27) bond issues with a par value amount of \$3,711,948,000.

“HUB” (Historically Underutilized Business) status and transaction costs are reported to the Bond Review Board by the issuing agencies and entities. For the purposes of this report, to identify the controlling ownership of firms based on race, gender, and ethnicity, the businesses are classified as Black American (BA), Hispanic American (HA), Asian-Pacific American (AP), Native American (NA), Woman-Owned (WO), or not belonging to one of these categories. Although “HUB” is used in this report, it does not imply that the firms listed as such are certified with the State of Texas General Services Commission.

The next report will be available on November 15, 2007.

A handwritten signature in cursive script that reads "Robert C. Kline".
