## TEXAS BOND REVIEW BOARD

Governor Rick Perry, Chairman  
Lieutenant Governor David Dewhurst  
Speaker Joe Straus  
Comptroller Susan Combs

Robert C. Kline  
Executive Director

November 16, 2009

This Historically Underutilized Businesses (HUB) report on state bond transactions was prepared as required by House Bill 3109 of the 74<sup>th</sup> Legislature and amended by Acts 1999, 76<sup>th</sup> Legislature. Specifically, subsection 1231.086 of Chapter 1231 of the Texas Government Code requires HUB information to be collected and reported semi-annually. This report includes HUB information received from state issuers from March 1, 2009 through August 31, 2009.

Included in this HUB report is information for each issue from the bond transaction reports. It specifically includes a summary of underwriting fees paid and summaries of orders and allotments for each bond issue closed during the designated reporting time frame. Also, a brief glossary of terms found in the detailed reports and statute is included. This report includes fifteen (15) bond issues with a par value amount of \$3,559,365,000.

“HUB” (Historically Underutilized Business) status and transaction costs are reported to the Bond Review Board by the issuing agencies and entities. For the purposes of this report, to identify the controlling ownership of firms based on race, gender, and ethnicity, the businesses are classified as Black American (BA), Hispanic American (HA), Asian-Pacific American (AP), Native American (NA), Woman-Owned (WO), or not belonging to one of these categories. Although “HUB” is used in this report, it does not imply that the firms listed as such are certified with the Texas Comptroller of Public Accounts.

The next report will be available on May 17, 2010.

A handwritten signature in blue ink that reads "Robert C. Kline".

Robert C. Kline  
Executive Director

## *Glossary*

**Allotment** - Distribution of bonds to underwriters to fill orders.

**Bond Counsel** - Retained by the issuer to give a legal opinion that the issuer is authorized to issue the proposed securities, has met all legal requirements necessary for issuance, and whether interest on the proposed securities will be exempt from federal income taxation and, where applicable, from state and local taxation.

**Competitive Sale** - Issuer solicits bids from underwriting firms to purchase its bonds, selling the bonds to the underwriter or syndicate offering the most favorable bid meeting the specifications of the notice of sale.

**Dealer Fee** - Cost of engaging a person or organization to underwrite, trade or sell securities.

**Designated Order** - Order for bonds submitted by a syndicate member on which all or a portion of the takedown is to be credited to firms designated by the purchaser.

**Disclosure** - Accurate and complete information material to a securities transaction made available to potential investors for consideration in making investment decisions.

**Escrow** - Fund established to hold moneys or securities pledged and to be used to pay debt service on an outstanding bond issue.

**Escrow Agent** - Commercial bank or trust company retained to hold the investments purchased with the proceeds of an advance refunding and to use the invested funds to pay debt service on the refunded bonds when due.

**Expenses** - Component of the underwriting spread representing the costs of operating the syndicate, such as legal counsel, travel, printing, day loans, wire fees and other associated fees.

**Financial Advisor** - Consults with the issuer on matters pertinent to a proposed issue, such as structure, timing, marketing, fairness of pricing, terms and bond ratings.

**Group Order** - Order for bonds that are confirmed at the public offering price without deducting the takedown that benefits all members of the syndicate according to their liability commitments. Generally, this type of order receives highest priority. Underwriting policies, procedures and definitions affecting orders and allotments may vary by transaction and issuer.

**Indenture** - Deed or contract which may be in the form of a bond resolution and sets forth the legal obligations of the issuer with respect to the securities and names a trustee who holds funds and security and represents the interests of the bondholders.

**Liability** - The amount of a new issue an underwriter is responsible for underwriting and distributing. Also determines underwriter compensation as the basis for certain takedown allocations and the commitment for unsold balances.

**Management Fee** - Component of the underwriting spread that compensates the underwriters for their efforts in creating and implementing the financing.

**Member Order** - Order for bonds placed by a syndicate member where bonds would be confirmed to that member at syndicate terms.

**Negotiated Sale** - Issuer selects an underwriting firm or syndicate early in the bond issuance process and negotiates a purchase price for the bonds with the underwriter at the time of the bond sale.

**Notice of Sale** - Publication by an issuer describing the terms of sale of an anticipated new offering of municipal securities.

**Official Statement** - Document published by the issuer which provides material information to investors on a new issue of municipal securities including the purposes of the issue, repayment provisions, and the financial, economic and social characteristics of the issuing government.

**Par Amount** - Face value or principal of a securities issue.

**Paying Agent** - Responsible for transmitting payments of principal and interest from the issuer to the security holders.

**Printer** - Produces the official statement, notice of sale, and any bonds required to be transferred between the issuer and purchasers of the bonds.

**Priority Order** - Depending on the underwriting policies and procedures, this type of order may be a group or designated order.

**Private Placement** - Issuer sells bonds directly to investors or through a placement agent without a public offering of the securities.

**Rating Agency** - Provides publicly available ratings of the credit quality of securities issuers, measuring the probability of the timely repayment of principal and interest on municipal securities.
