## TEXAS BOND REVIEW BOARD

Governor Rick Perry, Chairman  
Lieutenant Governor David Dewhurst  
Speaker Joe Straus  
Comptroller Susan Combs

Robert C. Kline  
Executive Director

November 15, 2012

This Historically Underutilized Businesses (HUB) report on state bond transactions was prepared as required by House Bill 3109 of the 74<sup>th</sup> Legislature and amended by Acts 1999, 76<sup>th</sup> Legislature. Specifically, subsection 1231.086 of Chapter 1231 of the Texas Government Code requires HUB information to be collected and reported annually. This report includes HUB information received from state issuers from September 1, 2011 through August 31, 2012.

Included in this HUB report is information for each issue from the bond transaction reports. It specifically includes a summary of underwriting fees paid and summaries of orders and allotments for each bond issue closed during the designated reporting time frame. Also, a brief glossary of terms found in the detailed reports and statute is included. This report includes twenty nine (29) bond issues with a total par value amount of \$2,782,683,283.

“HUB” (Historically Underutilized Business) status and transaction costs are reported to the Bond Review Board by the issuing agencies and entities. For the purposes of this report, to identify the controlling ownership of firms based on race, gender, and ethnicity, the businesses are classified as Black American (BA), Hispanic American (HA), Asian-Pacific American (AP), Native American (NA), Woman-Owned (WO), or not belonging to one of these categories. Although “HUB” is used in this report, it does not imply that the firms listed as such are certified with the Texas Comptroller of Public Accounts.

The next report will be available on November 15, 2013.

A handwritten signature in blue ink that reads "Robert C. Kline".

Robert C. Kline  
Executive Director
