TEXAS BOND REVIEW BOARD

Governor Rick Perry, Chairman
Lieutenant Governor David Dewhurst
Speaker Joe Straus
Comptroller Susan Combs

Executive Director

November 15, 2014

This Historically Underutilized Businesses (HUB) report on state bond transactions was prepared as required by House Bill 3109 of the 74th Legislature and amended by Acts 2011, 82nd Legislature. Specifically, subsection 1231.086 of Chapter 1231 of the Texas Government Code requires HUB information to be collected and reported annually. This report includes HUB information received from state issuers from September 1, 2013 through August 31, 2014.

Included in this HUB report is information for each issue from the bond transaction reports. It specifically includes a summary of underwriting fees paid and summaries of orders and allotments for each bond issue closed during the designated reporting time frame. Also, a brief glossary of terms found in the detailed reports and statute is included. This report includes thirty one (31) bond issues with a total par value amount of \$7,909,745,392.

"HUB" (Historically Underutilized Business) status and transaction costs are reported to the Bond Review Board by the issuing agencies and entities. For the purposes of this report, to identify the controlling ownership of firms based on race, gender, and ethnicity, the businesses are classified as Black American (BA), Hispanic American (HA), Asian-Pacific American (AP), Native American (NA), Woman-Owned (WO), or not belonging to one of these categories. Although "HUB" is used in this report, it does not imply that the firms listed as such are certified with the Texas Comptroller of Public Accounts.

The next report will be available on November 15, 2015.

A handwritten signature in blue ink that reads "Robert C. Kline".

Executive Director

Glossary

Allotment - Distribution of bonds to underwriters to fill orders.

Bond Counsel - Retained by the issuer to give a legal opinion that the issuer is authorized to issue the proposed securities, has met all legal requirements necessary for issuance, and whether interest on the proposed securities will be exempt from federal income taxation and, where applicable, from state and local taxation.

Competitive Sale - Issuer solicits bids from underwriting firms to purchase its bonds, selling the bonds to the underwriter or syndicate offering the most favorable bid meeting the specifications of the notice of sale.

Dealer Fee - Cost of engaging a person or organization to underwrite, trade or sell securities.

Designated Order - Orders submitted during the order period, which are filled third. The customer has designated which syndicate member(s) earn the takedown on the order, instead of the credit for the order being allocated based on participation rate.

Disclosure - Accurate and complete information material to a securities transaction made available to potential investors for consideration in making investment decisions.

Escrow - Fund established to hold moneys or securities pledged and to be used to pay debt service on an outstanding bond issue.

Escrow Agent - Commercial bank or trust company retained to hold the investments purchased with the proceeds of an advance refunding and to use the invested funds to pay debt service on the refunded bonds when due.

Expenses - Component of the underwriting spread representing the costs of operating the syndicate, such as legal counsel, travel, printing, day loans, wire fees and other associated fees.

Financial Advisor - Consults with the issuer on matters pertinent to a proposed issue, such as structure, timing, marketing, fairness of pricing, terms and bond ratings.

Group Net Order - Orders taken during the order period which are filled as if they arrived at the end of the order period. These orders are credited to the syndicate account based on participation.

Indenture - Deed or contract which may be in the form of a bond resolution and sets forth the legal obligations of the issuer with respect to the securities and names a trustee who holds funds and security and represents the interests of the bondholders.

Liability - The amount of a new issue an underwriter is responsible for underwriting and distributing. Also determines underwriter compensation as the basis for certain takedown allocations and the commitment for unsold balances.

Management Fee - Component of the underwriting spread that compensates the underwriters for their efforts in creating and implementing the financing.

Member Order - Orders for smaller customers, which are filled last.

Negotiated Sale - Issuer selects an underwriting firm or syndicate early in the bond issuance process and negotiates a purchase price for the bonds with the underwriter at the time of the bond sale.

Notice of Sale - Publication by an issuer describing the terms of sale of an anticipated new offering of municipal securities.

Official Statement - Document published by the issuer which provides material information to investors on a new issue of municipal securities including the purposes of the issue, repayment provisions, and the financial, economic and social characteristics of the issuing government.

Order Period – set by the managers as the first hour or half hour of regular business on the date following the date of sale.

Par Amount - Face value or principal of a securities issue.

Paying Agent - Responsible for transmitting payments of principal and interest from the issuer to the security holders.

Printer - Produces the official statement, notice of sale, and any bonds required to be transferred between the issuer and purchasers of the bonds.

Priority Order - Depending on the underwriting policies and procedures, this type of order may be a group or designated order.

Private Placement - Issuer sells bonds directly to investors or through a placement agent without a public offering of the securities.

Rating Agency - Provides publicly available ratings of the credit quality of securities issuers, measuring the probability of the timely repayment of principal and interest on municipal securities.

Refunding Bond - Issued to retire or defease a bond that is already outstanding. If the refunding bond is issued within 90 days of the call date or maturity date on the outstanding bond, it is a current refunding, otherwise it is called an advance refunding.

Registrar - Responsible for maintaining records on behalf of the issuer for the purpose of noting the owners of registered bonds.

Remarketing Fee - Compensation to an agent involved with secondary offering of issued and outstanding notes or bonds bearing short term interest rates, generally in connection with any mandatory or optional tender or put (return of the security to the issuer) and the resetting of interest rates.

Selling Group - Group of municipal securities brokers and dealers that assist in the distribution of a new issue of securities.

Structuring Fee - Component of the underwriting spread that compensates the underwriters for developing an issue within the issuer's legal and financial constraints and making the issue marketable to investors.

Syndicate - Group of underwriters formed to purchase a new issue of municipal securities from the issuer and offer it for resale to investors.

Takedown - Usually the largest component of the underwriting spread that is similar to a commission, which represents the income derived from the sale of securities. Also known as selling concession.

Trustee - Bank or trust company designated by the issuer or borrower under the bond indenture or resolution as the custodian of funds and security and acts as the representative of the bondholder, including making principal and interest payments to them.

Underwriter - Purchases a new issue of securities from the issuer for resale to investors.

Underwriting Spread - Amount representing the difference between the price at which securities are bought from the issuer by the underwriter and the price at which they are reoffered to the investor.

Underwriting Risk - Fee which is part of the underwriting spread which is designed to compensate the underwriter for the risk associated with market shifts and interest rate increases before all of the bonds have been sold.

Underwriter's Counsel - Attorney who, on behalf of the underwriter, negotiates terms and prepares a bond purchase agreement and agreement among underwriters, and prepares or reviews bond and disclosure documents.
